

# Catalyst SmartQC expiration date extension

Great news! The shelf life of Catalyst™ SmartQC™ Control (part number 99-0019432) has been extended based on ongoing stability studies.

If you have any of the following lots of Catalyst SmartQC in your inventory, or if you receive any of the following lots in the future, please mark the new expiration date on the front of the box:

| Lot number | Original expiration date | New expiration date |
|------------|--------------------------|---------------------|
| 724003     | 11/13/2025               | 5/13/2026           |
| 724004     | 12/19/2025               | 6/19/2026           |
| 724005     | 2/7/2026                 | 8/7/2026            |
| 724006     | 3/26/2026                | 9/26/2026           |

All future lots that are not listed above will be accurately labeled with the appropriate expiration date.

Thank you for your continued partnership and help in marking the boxes in your inventory.
